

VzletVPN Cookie Policy

Effective Date: February 20, 2025

1. Introduction

VzletVPN uses cookies and similar technologies to enhance website functionality, remember language preferences, analyze traffic, and improve user experience.

2. What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help remember your preferences and ensure the website operates correctly.

3. How We Use Cookies

- To store interface and language preferences.
- To analyze website traffic and improve performance.
- To maintain service stability and detect technical issues.

4. Types of Cookies We Use

- **Essential Cookies:** Required for basic website functions.
- **Functional Cookies:** Save your settings (e.g., language).
- **Analytics Cookies:** Collect aggregated data to understand user behavior.

5. Third-Party Services

Our site may use third-party tools (such as analytics or customer support widgets). These providers may set their own cookies. Please refer to their privacy policies for more information.

6. Managing Cookies

You can disable cookies in your browser settings at any time. Please note that some website features may not function properly without them.

7. GDPR Compliance and User Rights

For users within the EEA, data processing is limited to what is necessary to provide services. You have the right to access, correct, or delete your personal data, and to withdraw consent at any time. Contact us at support@vzletvpn.com to exercise your rights.

8. Data Security and Minimization

VzletVPN collects only the minimum amount of data required. Cookies are used for functionality and analytics — not for personal identification.

9. Updates to This Policy

We may update this Cookie Policy periodically. Continued use of our website indicates your acceptance of any changes.

10. Contact Information

If you have questions about our Cookie Policy or data protection, please contact us:
